Kazakhstan stressed the significance of the Organization of Islamic Cooperations (OIC) role in ensuring peace and security in several Muslim countries during the 15th Session of the Islamic Summit Conference in Gambia on May 4-5, reported the ministrys press service.

A Kazakh delegation led by Deputy Foreign Minister Alibek Bakayev and other event participants addressed urgent topics on the international agenda, including promoting the Middle East process and ensuring sustainable development in the OIC space.

Bakayev, in his speech, emphasized the relevance of the Kazakh initiative to create the OIC-15 Dialogue Platform, uniting 15 leading Muslim countries in science and technology, as well as the increased role of the Islamic Organization for Food Security. Particular attention was paid to Kazakhstans initiative to create an International Biosafety Agency.
