
ROW OVER NORTH MACEDONIA'S NAME FLARES UP AGAIN

-

20.05.2024

BBC News (17 May 2024)

North Macedonia's decades-long name dispute with Greece has flared up again, further jeopardising its path to EU membership.

Athens has warned its northern neighbour it will not ratify parts of a landmark 2018 agreement that had appeared to settle the row.

But the victory of nationalists in parliamentary and presidential elections in Skopje last week has enflamed the issue.
