Kosova Press (12 July 2024)

The opposition in Albania protested late Thursday in Tirana against the Government of Prime Minister Edi Rama and against the mayor of the capital city, Erion Veliaj, fighting with the police and throwing molotov cocktails.

The protest started in front of the Government building and continued towards the community of Tirana and the Assembly building, where the protesters demanded the resignation of Prime Minister Rama, accusing him of "plunging the country into corruption".
