Puigdemont cant just sneak in through a back door or through the kitchen * Maybe hell try to get smuggled in like Cleopatra in a carpet.

Carles Puigdemont plans to sneak back into Spain □ and into the Catalan parliament □ even though he risks almost certain arrest.

In an audacious move, Puigdemont wants to make the journey from the French border to Barcelona by Thursday in a last-ditch attempt to remain leader of the Catalan separatist movement. His problem: If hes spotted by the police, hell be detained immediately.
