Radio Bulgaria (25 August 2024)

Bulgarian Patriarch Daniil has called on the faithful to pray for the strengthening of the Ukrainian Orthodox Church, which is threatened with closure. He presided over the holy liturgy celebrated today in the church "St. Ivan Rilski" in Pernik.

"Let us earnestly pray that the Lord will strengthen our brothers and sisters from the Ukrainian Orthodox Church, enlighten the statesmen, give peace to the Ukrainian land. End this war, this fratricide", declared the patriarch.
