08.10.2024

Kabar (7 September 2024)

71.12% of Kazakh citizens voted in favor of building a nuclear power plant, said Nurlan Abdirov, Chairman of the Central Election Commission, Trend reports.

According to the CEC, 28.88% of citizens voted against the project.

"According to the data received, a total of 12,284,487 Kazakh citizens were eligible to participate in the referendum. Of those, 7,820,204 people, or 63.66%, took part in the vote. The number of citizens who voted in favor of the referendum's proposal was 5,561,937, which accounts for 71.12%," Abdirov stated.
