
PETRONAS' EXPLORATION IN SOUTH CHINA SEA WILL CONTINUE, MALAYSIA PM SAYS

- 15.10.2024

Reuters (15 October 2024)

Malaysia's Prime Minister Anwar Ibrahim on Tuesday reiterated that state energy firm Petronas will continue to conduct oil and gas exploration activities in Malaysia's exclusive economic zone (EEZ) in the South China Sea, despite objections from China.

This includes exploration activities in Petronas' Kasawari gas development off Sarawak state on Borneo, he told parliament.

"We will continue, but we will not close the door on discussions with any country," Anwar said.
