NORTH KOREA TROOPS IN UKRAINE WOULD ESCALATE CONFLICT, LUKASHENKO TELLS BBC

-

24.10.2024

BBC News (23 October 2024)

Steve Rosenberg

There arent many world leaders whove been in power for 30 years.

Alexander Lukashenko of Belarus has been accused of stealing elections, crushing dissent and dismantling democracy.

The UK, the EU and the US do not recognise him as the legitimate president of Belarus.
