24.10.2024

Kabar (24 October 2024)

The National Agency for Investment under the President prepared a presentation of the investment potential of Kyrgyzstan to a delegation of Turkish entrepreneurs.

The Agency's press service said that the event was held within the framework of the working visit of Turkish entrepreneurs to Kyrgyzstan.

The presentation highlighted key sectors of the country's economy, unique opportunities for investment, as well as the conditions provided by the state for foreign investors.
