## ARMENIA TO HOST COP17 UN BIODIVERSITY CONFERENCE IN 2026

-

01.11.2024

---

Public Radio of Armenia (1 November 2024)

Siranush Ghazanchyan

Armenia will host the next United Nations Biodiversity Conference (COP17). The UN Secretariat of the Convention on Biological Diversity broke the news on X.

Armenia is set to welcome the upcoming UN Biodiversity conference, reinforcing its commitment to global biodiversity conservation, it said.
