Active political dialogue between Azerbaijan and the United Arab Emirates (UAE) provides a strong foundation for further expanding our cooperation across all areas, President of the Republic of Azerbaijan Ilham Aliyev said in a congratulatory letter sent to UAE President Sheikh Mohammed bin Zayed Al Nahyan, marking the UAE's National Day - Independence Day, Azernews reports.

"The Azerbaijan-UAE interstate relations, founded on brotherhood, mutual respect, trust, and support, are currently experiencing dynamic and comprehensive development. Our active political dialogue provides a strong foundation for further expanding our cooperation across all areas. Your two visits to Azerbaijan this year are a testament to the high level of our fraternal relations.

In recent times, the relations between our countries have entered a qualitatively new phase, with new areas identified for the development of our cooperation. The significant steps we have taken in the energy sector, particularly in the field of green energy, are gratifying. In this regard, I would like to specifically highlight the effective activities of your countrys Masdar company in the renewable energy sector in Azerbaijan.
