KAZAKHSTAN, FRANCE SIGN COOPERATION AGREEMENT TO PRESERVE LAKE BALKHASH

-

04.12.2024

Kabar (4 December 2024)

Kazakh Water Resources and Irrigation Ministry, French Development Agency (AFD) and BRGM, the French geological survey, inked a tripartite agreement on cooperation on the sidelines of the One Water Summit, Kazinform News Agency learnt from the Ministrys press service.

The One Water Summit kicked off in Saudi Arabia with the participation of Kazakh President Kassym-Jomart Tokayev and President of France Emmanuel Macron.

The agreement signed aims at developing cooperation in the preservation of Lake Balkhash.
