## ROMANIAN COURT ANNULS RESULT OF PRESIDENTIAL ELECTION FIRST ROUND

-

06.12.2024

---

BBC News (6 December 2024)

Sarah Rainsford

Romania's constitutional court has annulled the result of first round of voting in the presidential election.

It means the process will be restarted from scratch, with the government due to decide a date for a new vote.

The results of that first round saw Calin Georgescu, an almost unknown far-right Nato-sceptic who has previously praised Vladimir Putin, win the most votes.
