
FRENCH FM CALLS FOR MORE EU SUPPORT TO ARMENIA

-

17.12.2024

ArmenPress (16 December 2024)

Siranush Ghazanchyan

French Foreign Minister Jean-Noël Barrot has expressed his support to Armenia at the EU Foreign Affairs Council in Brussels.

I call on the European Union to develop its relations with that country, which France is very connected with. We must again provide Armenia with all the support it has the right to count on, the Foreign Minister told reporters ahead of the meeting.
