EuroNews (4 January 2025)

Photos provided by Azerbaijani media outlet AnewZ show that the Azerbaijan Airlines plane which crashed near Aktau in Kazakhstan has signs of damage consistent with an attack from outside the aircraft.

A series of pictures provided by Azerbaijani media outlet AnewZ display evidence that an external attack had been carried out on the Azerbaijan Airlines aircraft which crashed in Aktau, Kazakhstan last month.

The images of the airplane's exterior, as well as interior shots of the fuselage, show apparent shrapnel marks.
