
ALMATY TO HOST SEVENTH DIGITAL FORUM

-

06.01.2025

Astana Times (6 January 2025)

Almaty will host the seventh Digital Almaty forum, themed Industrial AI: Technologies for a New Era, from Jan. 31 to Feb. 1, 2025, reported the Kazakh Ministry of Digital Development, Innovation, and Aerospace Industry.

The event will explore breakthrough changes in an industry driven by artificial intelligence (AI) and its impact on the future of global industry. Over 40,000 attendees are expected to participate in the two-day forum.

Digital Almaty 2025 will feature several events, including the Industry 4.0 AI Battle, a competition to identify the best startup in AI, and an exhibition of Kazakhstan's largest subsoil users, industrial startups, technology parks, and IT companies, which will share experience on projects in the IT ecosystem.
