Renewables Now (20 January 2025)

Chinese wind turbine manufacturer Envision Energy and Kazakhstan Utility Systems LLP on Friday broke ground on a wind turbine and energy storage manufacturing facility in Khorgos, Kazakhstan.

The USD-40-million (EUR 38.8m) plant will have the annual capacity to produce 2 GW of wind turbines, or 250 units, as well as 1 GWh of energy storage systems, or 100 units.
