EUROPE NEEDS TO BE ARMED TO SURVIVE, SAYS POLISH PRIME MINISTER DONALD TUSK

- 23.01.2025

Politico (22 January 2025)

By Max Grier

There is no choice, the Polish prime minister warned in an address to the European Parliament.

United States President Donald Trump is right when it comes to Europe's responsibility to significantly boost its own defense spending, Polish Prime Minister Donald Tusk said Wednesday in the European Parliament.

"If Europe is to survive, it needs to be armed," he said.
