MassisPost (11 February 2025)

Armenian Defense Minister Suren Papikyan, who is on a working visit to India, participated in the Aero India exhibition on February 11. As part of the event, he attended the Defense Ministers Roundtable on the theme Building Resilience Through International Defense and Global Engagement.

In his speech, Minister Papikyan emphasized that Armenia and Indias joint efforts are directed not only toward enhancing their countries defense capabilities but also toward ensuring international and regional security, peace, and stability.

The Armenian Defense Minister also presented Armenias perspectives on regional security issues, as well as the Crossroads of Peace initiative introduced by the Armenian government.
