
ONE KILLED IN BALLISTIC MISSILE ATTACK ON KYIV, UKRAINE SAYS

-

12.02.2025

BBC News (12 February 2025)

One person has been killed and four injured in a Russian missile attack on Ukraine's capital overnight.

Kyiv's mayor said a nine-year-old girl was among the injured in the strikes which took place early on Wednesday.

The Ukrainian military said it had shot down six of seven ballistic missiles and 71 drones launched by Russia, which sparked several fires throughout the city.
