KAZAKHSTAN AND CHINA STRENGTHEN TIES IN NUCLEAR ENERGY SECTOR

- 20.03.2025

Asatana Times (18 March 2025)

Kazakh President Kassym-Jomart Tokayev met with Shen Yanfeng, the general director of the China National Nuclear Corporation (CNNC), on March 17 to explore prospects for cooperation in nuclear energy.

During the meeting, Tokayev focused on Kazakhstans plans to develop its nuclear energy sector, highlighting the significance of the recent decision to create the Nuclear Energy Agency. According to Akorda, this agency aims to implement the countrys strategic objectives.

The President emphasized Kazakhstans interest in leveraging CNNCs extensive expertise, recognizing the corporation as a leader in Chinas nuclear energy industry. In response, Shen shared insights into CNNCs ongoing projects in China and internationally.
