BBC News (25 March 2025)

Ian Aikman

Russia and Ukraine have agreed to a naval ceasefire in the Black Sea in separate deals with the US, after three days of peace talks in Saudi Arabia.

Washington said all parties would continue working toward a "durable and lasting peace" in statements announcing the agreements, which would reopen an important trade route.

They have also committed to "develop measures" to implement a previously agreed ban on attacking each other's energy infrastructure, the White House said.
