
IRAQ'S PRIME MINISTER: IRAQ IS WITNESSING A STATE OF RECOVERY, GROWTH, PROGRESS, AND PROSPERITY

-

26.03.2025

Iraqi News Agency (25 March 2025)

Iraq's Prime Minister and Commander-in-Chief of the Armed Forces Muhammed S. Al-Sudani affirmed on Tuesday that Iraq is witnessing a clear state of recovery, growth, progress, and prosperity, and we are working to maintain this.

He emphasized that establishing security and stability will enable the state to provide services and implement development and economic projects, according to the Prime Minister's Media Office statement - received by the Iraqi News Agency - INA.

Prime Minister Al-Sudani joined officers and fighters of the Land Forces Command at an Iftar meal for the holy month of Ramadan.
