Umar Abakirov

Delegations from Tajikistan and Uzbekistan discussed in Dushanbe a draft agreement on bilateral cooperation in the electricity sector, Trend reports.

The Tajik delegation was led by Minister of Energy and Water Resources Daler Juma, while the Uzbek side was headed by Minister of Energy Jurabek Mirzamahmudov. The meeting focused on aligning positions and finalizing the text of the agreement.

The sides reviewed a wide range of issues related to strengthening bilateral energy cooperation and expressed mutual interest in accelerating the implementation of joint initiatives.
