Delegations from Tajikistan Railways, Uzbekistan Railways and Kazakhstan Railways state companies discussed increasing freight volumes and optimizing operations at the interstate junction points Oasis in Tajikistan and Saryagash in Uzbekistan during a trilateral working meeting in Kazakhstan, reports Ministry of Transport of Tajikistan, Khovar reports.

During the meeting, it was noted that railway freight traffic between Uzbekistan and Kazakhstan reached 11.5 million tons in 2024. In the first four months of 2025, the average daily number of trains passing through the Saryagash junction stood at 26.

A significant increase was also observed in container shipments along the China Asia route, which rose by 104 percent year-on-year, equivalent to 144 container trains.
