
TURKISH PRESIDENT ERDOGAN HAILS TÜRKİYE-AZERBAIJAN ENERGY PARTNERSHIP AT BAKU ENERGY WEEK

-

02.06.2025

Türkiye Today (2 June 2025)

President Recep Tayyip Erdogan highlighted Türkiye and Azerbaijan's numerous energy sector achievements, stating that their infrastructure cooperation continues to benefit both regional and European energy security through major pipeline projects.

President Erdogan sent a message to the opening ceremony of the 30th Baku Energy Week in Azerbaijan's capital, which was read to attendees by Energy and Natural Resources Minister Alparslan Bayraktar.

Erdogan emphasized the strategic importance of Türkiye-Azerbaijan energy cooperation amid recent global geopolitical developments.
