Serbian President Aleksandar Vučić has visited Ukraine on Wednesday in what marks his first ever visit to the country. According to Euronews European political sources, the Serbian presidents participation in the summit signals Serbias realignment with the EU regarding Russias war in Ukraine.

Serbian President Aleksandar Vučić visited Ukraine on Wednesday, marking his first ever trip to the country.

During a one-day trip, Vučić participated in the Ukraine-Southeast Europe Summit in Odesa, as announced by Serbia's Presidential Office.
