'It is simply a criminal policy that leads nowhere and which, unfortunately, has the support of Washington,' says Zoran Milanovic

Croatias president said Wednesday that a portion of Israeli leadership is "made up of criminals," and Israel is pursuing "a criminal policy" with the support of Washington, according to media reports.

"Israel is pursuing a criminal policy and we should not have anything to do with such a state because part of its leadership is made up of criminals," Zoran Milanovic told reporters in the Croatian capital of Zagreb.
