In Kazakhstans Astana, Maksat Kaliakparov, Acting Minister of Transport of Kazakhstan, met with Enver Iskurt, Deputy Minister of Transport and Infrastructure of Türkiye, Trend reports via the Ministry of Transport of Kazakhstan.

In the course of the negotiations, special attention was given to further developing cooperation in road, railway, maritime, and air transport, as well as implementing joint projects aimed at developing international transport corridors, including within the framework of the Trans-Caspian International Transport Route (TITR) initiative.

The parties also emphasized the need for a new agreement in the field of road transport, as the current agreement was signed in 1992.
