Open letter says European Commission and EU Council have failed to respond with urgency and resolve demanded by treaties and values

The Greens/EFA group in the European Parliament on Thursday voiced alarm over the EUs continued inaction on Gaza and urged top officials to act urgently to uphold international law.

In an open letter to European Council President Antonio Costa, European Commission President Ursula von der Leyen, and the EUs foreign policy chief Kaja Kallas, the group expressed deep concern over the blocs inadequate response in the face of the catastrophic situation in Gaza and the occupied Palestinian territories.
