Athens also voices concern over Israel's impermissible violation of Qatar's territorial sovereignty

Greece on Monday reaffirmed its opposition to Türkiye's participation in the EU defense scheme Security Action for Europe (SAFE).

Speaking at joint press statement following his meeting with visiting EU Council President Antonio Costa, Greek Premier Kyriakos Mitsotakis said that third countries which threaten EU members (with) war cannot participate in the scheme, in reference to the Turkish Parliaments resolution in 1995, warning Greece against unilateral actions on the Aegean Sea.
