Humanitarian flotilla sends strong message against genocide in Gaza by Israel's government, says SYRIZA

A left-wing Greek opposition party on Monday expressed full support for the Global Sumud Flotilla, which is carrying humanitarian aid to Gaza and seeking to break Israel's crippling blockade.

Calling solidarity with Palestine a duty for every citizen who respects basic human rights, SYRIZA underlined that the flotilla sends a strong message to the whole world against the genocide being carried out in Gaza by Israel's government.
