CHINA LEADS IN UZBEKISTAN'S FOREIGN INVESTMENT SHARE IN 2024

- 17.09.2025

Kazinform News Agency (15 September 2025)

Tatyana Kudrenok

According to data from the National Statistics Committee, foreign investments and loans disbursed in 2024 amounted to $27.7 billion, UzA reports.

China accounted for the largest share of this total, with 28.7% of all foreign investments and loans directed into fixed assets. Russia ranked second with 12.7%, followed by Türkiye (7%), Germany (5.1%), Saudi Arabia (4.8%), and the United Kingdom (3.8%).

These figures highlight Chinas leading role as a key source of foreign capital, while Russia and Türkiye remain significant partners as well.
