'This decision is a powerful manifestation of the Turkish Cypriot people's determination to protect their sovereignty, identity and future,' says Turkish vice president

Türkiye welcomed the Turkish Republic of Northern Cyprus (TRNC) parliaments approval Tuesday of a resolution on a two-state solution to the Cyprus issue.

"This decision is a powerful manifestation of the Turkish Cypriot people's determination to protect their sovereignty, identity and future, Turkish Vice President Cevdet Yılmaz wrote on the Turkish social media platform NSosyal.
