Zhanna Nurmaganbetova

Deputy Chairman of the Cabinet of Ministers - Minister of Water Resources, Agriculture and Processing Industry Bakyt Torobaev spoke at the session Impactful Water Solutions as part of the Rome Water Dialogue 2025 forum in Rome, Kabarreports.

As reported by the department, the forum is being held at the headquarters of the UN Food and Agriculture Organization (FAO) in Rome.

Bakyt Torobaev noted that water is a strategic and invaluable natural resource that ensures socio-economic development, food and energy security, as well as ecosystems and population health.
