At present, quite intensive work is being carried out with the United States on the implementation of the Trump Route project. Prime Minister Nikol Pashinyan stated this today during the debates on the draft law On the State Budget of the Republic of Armenia for 2026 in the National Assembly.

Of course, the project is new for us and for the region; it has many nuances, and I am convinced that we will discuss, find solutions to these issues as quickly as possible and implement that program, he added.
