GREECE TO RESTART NEGOTIATIONS WITH ISRAEL TO PURCHASE ADVANCED AIR DEFENSE SYSTEMS: REPORT

- 12.11.2025
AA (11 November 2025)
By Ahmet Gencturk
Talks had been suspended during Israel's 2-year military against Gaza to avoid political criticism says daily Kathimerini
Greece will restart talks with Israel to purchase advanced air-defense systems as part of its plan to form an air protection network called Achilles Shield, local media reported on Tuesday.
The talks, which had been paused during Israels two-year military campaign against Gaza to avoid political criticism, aim to eventually replace outdated systems, daily Kathimerini noted.
