Shahin Mustafayev and Mher Grigoryan held a separate exchange of views on issues of mutual interest.

On 28 November, the 12th meeting of the State Commission on the Delimitation of the State Border between Azerbaijan and Armenia and the Commission on Delimitation and Border Security Issues was held in the city of Gabala, chaired by Azerbaijan's Deputy Prime Minister Shahin Mustafayev and Armenia's Deputy Prime Minister Mher Grigoryan.

During the meeting, the sides noted the agreement reached at the 11th meeting on 16 January of this year to begin a comprehensive set of border-delimitation activities starting from the northern section – the area where the borders of Azerbaijan, Armenia, and Georgia meet – and proceeding southward to the Armenia-Azerbaijan-Iran border.
