Raporteri.net (14 December 2025)

*Hundreds of militants have traveled to Ukraine to fight for Russia in the belief that they will be helped to regain territory.*

A new generation of ethnic Serb nationalists is preparing for a war in Bosnia, reveals The Telegraph.

Bosnia has been considered one of the most tense hotbeds in the region, in an attempt to secede from Republika Srpska – something categorically rejected by the US and the European Union.
