Our goal is a strong Türkiye, a strong Azerbaijan, and a prosperous region where peace and stability prevail, says Turkish Vice President Cevdet Yılmaz.

Türkiye is ready to engage in all forms of cooperation with sister nation Azerbaijan on renewable energy investments and the green transition, said its Vice President Cevdet Yılmaz on Tuesday.

Speaking at the Second Türkiye-Azerbaijan Investment Forum in Azerbaijan's capital Baku, Yılmaz said: By strengthening our cooperation through the power of unity, we can turn the challenges facing our region into opportunities.
