ArmenPress (6 January 2025)

Armenian Prime Minister Nikol Pashinyan has once again denied accusations that his administration is carrying out an anti-church campaign.

He delivered a speech outside a church in downtown Yerevan after leading a procession he described as a pilgrimage on Christmas Day, from Saint Gregory the Illuminator Cathedral to the Holy Mother of God Church.

He said that the government has never acted, is not acting, and can never act against the Church, since the government is a follower of the Armenian Apostolic Church.
