
ARMENIA, AZERBAIJAN AGREE ON LNG AND BITUMEN TRANSIT

-

28.01.2026

Daily Sabah (27 January 2026)

Armenian Economy Minister Gevorg Papoyan said Tuesday that Armenia and Azerbaijan have reached an agreement allowing liquefied natural gas and bitumen to transit through Azerbaijani territory.

"An agreement has been reached between Armenia and Azerbaijan on the railway transportation of liquefied gas and bitumen through the territory of Azerbaijan," Papoyan said in a statement on Facebook. "Our businessmen can now take advantage of this opportunity as well."

Azerbaijani authorities have not yet commented.
