

**FROM ALMATY TO BISHKEK: CENTRAL ASIA, U.S. UNITE FOR ECONOMIC BREAKTHROUGH
AT 2ND B5+1 FORUM**

-

04.02.2026

Kazinform News Agency (5 February 2026)

Aralym Temirgaliyeva

This high-level event, organized jointly with the Cabinet of Ministers, is called to become the main platform for a dialogue between business leaders and governments of the Central Asian countries and the United States.

The goal is to strengthen regional economic cooperation and develop collaboration between the public and private sectors.

The priority areas of the forum will be agriculture, banking and finance, important mineral resources, e-commerce and information technologies, transport and logistics, and tourism.
