News.az (10 February 2026)

Azerbaijani Minister of Defense Industry Vugar Mustafayev held a series of high-level meetings during the World Defense Show 2026 international exhibition in Riyadh, Saudi Arabia.

According to the ministry, Mustafayev met with Gokhan Ucar, Deputy Chairman of Türkiye's Defense Industry Committee; Mirghani Idriss Suleiman, Director General of Sudan's Defense Industry System; representatives from Singapore's ST Engineering; Czech company Colt CZ; China's ALIT and CETCI; Türkiye's Baykar, TUSAS, and HAVELSAN; as well as US company Trillium, News.Az reports, citing AZERTAC.

The discussions focused on existing cooperation in the defense industry, learning from international experience, global trends, the application of modern innovative technologies, and the development of industrial capabilities.
