A four-party meeting was convened in Ashgabat, where Rovshan Rustamov of Azerbaijan Railways, Mammet Akmammedov, Turkmenistans Minister of Railway Transport, Zufar Narzullayev of Uzbekistan Railways, and Lasha Abashidze of Georgian Railways engaged in discussions aimed at deepening cooperation along the Middle Corridor, Trend reports via Azerbaijan Railways CJSC.

According to information, the parties discussed issues of mutual interest, as well as opportunities to expand cooperation along the Middle Corridor, one of the regions key transit routes.

The discussions further concentrated on bolstering the corridors competitiveness, increasing freight throughput, and emphasizing the critical role of digitalizing operations to enhance the efficiency of cargo transport.
