President of Kazakhstan Kassym-Jomart Tokayev received Moutaz Al-Khayyat, Board Chairman of Power International Holding (PIH), and Ramez Al-Khayyat, Board Vice-Chairman & President, at the Akorda, Qazinform News Agency learnt from the Akorda press service.

During the meeting, the parties discussed prospects for implementing joint investment projects in the energy and telecommunications sectors.

The Head of State emphasized that large-scale gas projects in processing, transportation and energy production constitute a key pillar of Kazakh-Qatari investment cooperation and make a significant contribution to strengthening Kazakhstan's energy security.
