
UZBEKISTAN, LATVIA EXPLORE NEW OPPORTUNITIES IN TRANSPORT AND LOGISTICS

-

05.03.2026

Trend Newss Agency (5 March 2026)

Kamol Ismailov

Uzbekistan and Latvia discussed ways to increase cargo transportation volumes and improve railway logistics routes, Trend reports via Uzbek Ministry of Transport.

The issue was reviewed during a meeting between First Deputy Minister of Transport of Uzbekistan Mamanbiy Omarov and Minister of Transport of Latvia and Co-Chair of the Intergovernmental Commission Atis Švinka.

During the talks, the parties also discussed the modernization of rolling stock and the development of technical maintenance infrastructure in the railway sector.
