Uz.Daily (9 March 2026)

Uzbekistans Minister of Foreign Affairs Bakhtiyor Saidov held a meeting with Finnish President Alexander Stubb in Helsinki, conveying greetings from President of Uzbekistan Shavkat Mirziyoyev.

During the talks, the sides noted the dynamic development of bilateral cooperation based on friendship and mutual respect.

Saidov stressed that the foreign ministries of both countries will make every effort to implement agreements reached at the highest level. Particular attention during the meeting was given to strengthening economic and investment partnership, as well as expanding joint initiatives on the international stage.
