Politico (27 March 2026)

Tim ROSS

*The U.S. president's European golf buddy calls for extra efforts to stop regional conflicts from spiraling toward World War III.*

Finland's President Alexander Stubb says he believes his friends can cope with what he calls tough love.

So one of Europe's great optimists is not hiding his unusually bleak assessment of where his one-time golf partner Donald Trump's presidency is taking the world.
