
OTS EXPANDS COOPERATION TO 58 AREAS, SAYS KUBANYCHBEK OMURALIEV

-

02.04.2026

Azerbaijan 24 (2 April 2026)

Within the Organization of Turkic States (OTS), cooperation is currently being implemented in 58 areas, which demonstrates a significant expansion of interaction among the member countries, the organizations Secretary General Kubanychbek Omuraliev said at the second meeting of Heads of Government/Vice-President of the member states of the OTS in Baku, Report informs.

Since our first meeting, this platform has already proven its significance. It has become an important mechanism for strengthening practical cooperation and ensuring better coordination between governments, he noted.

According to Omuraliev, in recent years, the OTS has significantly expanded the scope of its activities.
